John,

As I mentioned to you last week there were a number of internal comments on the response to RAI-15 that had to be resolved and that these comments had caused a delay in the response. These comments are still being worked but I expected them to be fully resolved today. In accordance with our internal procedures I will then have the letter formally concerned with and then signed by the VP. I expect the VP signature either Tuesday or Wednesday. As soon as it is signed I will send you a pdf version.

Thanks,

Roger Waters
