Jim,

The fourth item in the agenda is indeed to address the four actions from the October 2, meeting.

The ACRS FC meeting is on November 2, 2012 (Thursday). But there is no stopping ACRS from asking anything else in the past. However, this is a full committee meeting, ACRS consultants typically do not participate in a FC meeting.

I have a question the fourth agenda item, **Response to ACRS Questions from Previous Briefings**, what is the ACRS expecting. Is this to go over the questions from the last meeting (i.e. the four we are working on), or is it to review the actions from all of the meetings. I will call you Monday morning to discuss.
