Status Update

(NOTE: This will be used as the  
Documents Title in ADAMS)

10/18/12 (14:20) and 10/19/12 (14:47) I left a message on Ms. Stamen's voice-mail for her to get back to me with an update as towards the licensee's status on the financial assurance documents. 10/22/12 (08:15 and 10:00) I was only able to access Ms. Stamen's voice-mail. (11:04) I spoke with the receptionist of the EH&S Office. The receptionist indicated that Ms. Stamen was in the office and made attempts to contact her. The receptionist made contact and stated that I should call Ms. Stamen in about five minutes. (11:17) I spoke with Ms. Stamen about the progress the licensee has been making in furnishing financial assurance documents. She stated that she has been working with Brian Miller in Finance to put together the licensee's end-of-year statement due October 30, 2012. The document will be ready for signature next week. The Certification of Financial Assurance and Self-Guarantee will be amended and signed next week to include the SNM license and the licensed materials on the SNM license. Expected completion of the Standby Trust Fund is late November. The consolidation of the licenses will be delayed and made part of a later amendment. I thanked Ms. Stamen for the information and requested that she contact me in two weeks with a status update.
