Subject: Notes From Yesterday's Phone Call

Pam and Kim,

Attached is a copy of meeting minutes from yesterday's phone call. In addition, I meant to mention that the 24 month UMS storage FSAR update and 72.48 determination report is due next month. We will be sending Revision 10 of the FSAR November 1. For NRU/NRX, currently a March 2013 timeframe is what is being requested for approval of the amendment request for the LWT.
