RE: Change to NRC Radioactive Materials License #13-16680-01, Franciscan Physician Hospital, Munster, Indiana

Dear Sir or Madam:

We wish to change one of the conditions listed on our Radioactive Material License so that we may issue dosimeters on a quarterly basis instead of monthly. No personnel at our facility have exceeded ALARA I limits in the last two years.

We hope this information is sufficient to grant this change request. If you have any questions regarding this matter, please feel free to contact me at 219-836-5800 (clinic).

Sincerely,

  
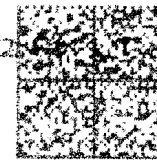

Armin Pigula  
Radiology Manager
