Tekia

As we discussed, DTE is requesting to have this meeting rescheduled due to concerns with travel and the aftermath of Hurricane Sandy.

We are currently soliciting availability information from our support team - our general preference at this time for the rescheduled meeting would be the week of Nov 12 or the week of Nov 26.

Sorry for any inconvenience, but we do believe this meeting is very important to successful completion of our application and do want to ensure all of the key individuals can support this meeting.

The NRC will be opened on Wednesday and then we can access the meeting options. However, at this point we are not aware of any key players that will not be able to attend. Therefore we can proceed with the meeting as scheduled. I will give you a call in a few to discuss the meeting.

Thanks

Tekia

Understand the NRC office is closed today. I did want to discuss the prognosis for Thursday meeting. We are receptive to rescheduling the meeting if attendance by key reviewers is in jeopardy due to weather/travel restrictions.

Thanks
