

## AFFIDAVIT

Pursuant to 10 CFR 2.390. Rosemount Nuclear Instruments, Inc. ("RNII") hereby requests that certain information contained in its Reply to NRC Request for Clarification (the "Reply"), dated August 24, 2012, be withheld from public disclosure as such information contains trade secrets and commercial information which is confidential.

In support of this request I state the following:

1. The information sought to be withheld from public disclosure are certain appendices to the Reply marked as Confidential, including following Appendices:  
Appendix A: 601TT4000 Software Documentation  
Appendix B: 611AT Software Additional Software Documentation Example  
Appendix D: Design Study DS-RNII-2012-018 Resistor and Capacitor Tolerance, Temperature Coefficient, and Reliability Analysis  
Appendix E: Design Study DS-RNII-2012-040 Assessment of Commercial Grade Dedication of 1150 Series Sensor Fill Fluid
2. The person making this request is Marc D. Bumgarner, Rosemount Nuclear Instruments Inc., Vice President & General Manager.
3. The basis for proposing that the information be withheld from public disclosure is that the information marked as Confidential contained in or submitted with the Reply is confidential business and financial information of RNII, which information has been held in confidence by RNII, is a type customarily held in confidence, is not available in public sources, and if publicly disclosed would be likely to cause substantial harm to the competitive position of RNII taking into account the value of the information, the amount of effort and money expended by RNII in developing the information and the difficulty with which the information could be acquired or duplicated by others;
4. If such information were disclosed to the public, RNII believes that competitive harm would result;
5. The Reply, including its Appendices, have been marked to show locations of the information sought to be withheld.

Marc D. Bumgarner, being duly sworn, states that he is the Vice President & General Manager, that he is authorized on the part of RNII to sign and file with the U. S. Nuclear Regulatory Commission this request for RNII, and that all the matter and facts set forth herein are true and correct to the best of his knowledge.

Marc D. Bumgarner  
Vice President & General Manager  
Rosemount Nuclear Instruments Inc.

Subscribed and sworn to before me, a Notary Public, in and for the State of Minnesota and County of Carver, this 24th day of August 2012.
