Session 2
U.S. Nuclear Regulatory Commission (NRC)
One White Flint North
11555 Rockville Pike Room 14-B8
Rockville, MD 20852
Session 3

Session 3
U.S. Nuclear Regulatory Commission (NRC)
One White Flint North
11555 Rockville Pike Room 16-B4
Rockville, MD 20852

PURPOSE: **Each scheduled day will have two identical session, one in the morning and one in the afternoon.** The sessions are being held to provide interested stakeholders and members of the public an opportunity to provide comments for consideration for subsequent license renewal. Topic areas will be focused on process issues. The meetings will also be available via webinars. For questions contact the meeting coordinator. Interested stakeholders and members of the public may also provide comments outside of the specified topic areas at the end of the meeting. **Each session is scheduled for three hours but may end prior to the schedule if there are no additional comments.**

CATEGORY 2:* This is a Category 2 meeting. The public is invited to participate in this meeting by providing comments on the agenda topics.

TELECONFERENCE: Interested members of the public can participate in this meeting via a toll-free audio teleconference. Please contact the NRC staff members listed for the teleconference information.

PARTICIPANTS: U.S. Nuclear Regulatory Commission (NRC) staff, interested stakeholders, and members of the public.
