Revisions to Draft Letter of Credit

**(NOTE: This will be used as the
Documents Title in ADAMS)**

11/1/2012 (09:15) I contacted Mr. Carrier about the subject Draft Letter of Credit and needed revisions. I went over some of the revisions which the Commission would require and asked him if he wanted an email or a formal letter documenting the needed changes. Mr. Carrier indicated that I could go with whatever method is easier for me. I stated that I would issue a letter since the Commission could easily track the letter and it serves as an official document informing the licensee of what it needed to comply with the regulations. Mr. Carrier stated that he would work with the financial institution on making the appropriate revisions. I thanked Mr. Carrier for his attention in this matter.
