Dear Ms. Mousel:

On behalf of the Office of Small Business and Civil Rights (SBCR) at the U.S. Nuclear Regulatory Commission (NRC), I would like to thank you for taking part in our first Small Business Seminar and Matchmaking Event this past August. Your presentation was of great interest, and your topics were particularly timely given the emphasis on the contributions that veterans, disabled and non-disabled, offer the workforce and society. We received many positive comments from attendees about the quality and enthusiastic delivery of your presentation. Your contributions were significant and directly contributed to the success of the event.

Again, thank you for giving your invaluable time and sharing your important message. We enjoyed working with you and we hope to involve you in future seminars at the NRC.

Sincerely,

/RA/
