Documents Title in ADAMS)

On October 17, 2012, I was contacted by Dr. Romero, and she explained that she had been ill and out of the office for over three weeks and would work on getting a response regarding the documentation of training and experience for the proposed authorized user (AU), Dr. Vicente Lam Siu.

Dr. Siu also called to inform me that it would be difficult to get the program director to complete and sign the NRC Form 313 as the director is difficult to reach. He asked if he could have Dr. Romero, one of his supervising individuals, to act as preceptor. I informed Dr. Siu that she can be his preceptor if she is listed as an authorized user for the same uses requested as required by the regulations.

Dr. Romero and Dr. Siu agreed to provide the additional information by COB on Friday, October 19, 2012.

On October 25, 2012, I contacted Jossian J. Pagán-Lisboa, CNMT and RSO at the University of Puerto Rico Medical Sciences Campus Chancellor's Office (License number 52-01946-07) and confirmed that Dr. Romero went through the residency program and is qualified to be a preceptor for Dr. Vicente Lam Siu.
