We can defer a week. Are you available? It might good for us to discuss briefly.

Bob -

Due to the storm, there will be a lot of catchup work that needs to be done Wednesday-Friday this week.

Is the QAPD discussion time critical? Can it be deferred for one or two weeks? I'm asking because I'm not sure whether NRC folks will be available for a call this Thursday.

Please let me know.

Thanks

Don/Otto – We would like to discuss the QAPD during the NRC-LNP public call on Thursday, 11/1/12. The discussion will be to ensure that the Staff understands the scope of changes planned to QAPD and the associated confirmatory changes. Our objective is to make sure that we make required changes in a way that is least disruptive to the NRC review. We plan to submit talking points in advance of the meeting.
