MEMORANDUM TO: William M. Dean, Regional Administrator
Region I

FROM: James C. Corbett, Director */RA/*
Division of Contracts
Office of Administration

SUBJECT: DELEGATION OF CONTRACTUAL AUTHORITY

Pursuant to the authority delegated to me by the Senior Procurement Executive in memorandum dated January 23, 2013 (ML12328A172), the Regional Administrator is hereby delegated the authority to execute and modify acquisition vehicles (including, but not limited to purchase orders, delivery/task orders; and interagency actions excluding Department of Energy (DOE) Laboratory agreements), and settle claims and terminations thereof. In addition, you shall perform other typical duties of a Contracting Officer, as set forth in the Federal Acquisition Regulations.

Exercise of this delegated authority shall comply with all requirements of the law, executive orders, regulations, policies, and procedures, including clearances, approvals, and notification requirements in effect at the time of the transaction.

This delegation of authority, effective the date of this memorandum, supersedes any contractual authority previously delegated, and shall remain in effect until superseded.

You are hereby delegated the authority to sign purchase orders, task/delivery orders, and amendments thereto, for supplies and services, where the estimated value of the single action is \$150,000 or less. In addition, you have the unlimited authority to sign interagency actions, with the exception of DOE Laboratory agreements.

However, the following RESTRICTIONS apply:

- (1) Submit to the Division of Contracts (DC) for processing, any commercial contract, order, or modification thereof, with an estimated amount in excess of \$150,000;
- (2) Submit to the DC Contracting Officer for prior approval, a justification for other than full and open competition for any proposed contract or modification which has an estimated amount in excess of \$3,000, and is being entered into without providing full and open competition;
