Dear Sirs:

**Subject:       Advanced Notification of Export Shipment**

In accordance with the requirements for Implementation of the Convention of the Physical Protection of Nuclear Material, AREVA NP Inc. is submitting the information below regarding our upcoming export shipment to Japan under export license XSNM3706.

1.     Shipper, Carrier, and Receiver

- a.     Shipper       -     AREVA NP Inc.  
                                  2101 Horn Rapids Road  
                                  Richland, Washington 99354  
                                  (509) 375-8100
  
- b.     Carrier       -     Inland U.S.:  
                                  Savage Logistics LLC  
                                  2750 Salk Avenue  
                                  Richland, WA 99354  
                                  (509) 375-6222  
  
                                  Ocean:  
                                  Evergreen Corporation  
                                  c/o Evergreen America Company  
                                  2825 E. Cottonwood Parkway  
                                  Suite 300  
                                  Salt Lake City, UT 84121  
                                  (801) 365-2040
  
- c.     Receiver     -     Kansai Electric Power Co., Inc.  
                                  Takahama Nuclear Power Station  
                                  1 Tanoura  
                                  Takahama-Cho, Ohi-Gun  
                                  Fukui-Ken  
                                  Japan 919-2392

**AREVA NP INC.**

2101 Horn Rapids Road, Richland, WA 99354  
Tel.: 509 375 8100 - [www.areva.com](http://www.areva.com)

2. Physical Description

Eighteen (18) MFC shipping containers, each of which contains two (2) fuel assemblies for a total of thirty six (36) fuel assemblies. The shipment contains nominally 16,514 KgU and 679 Kg<sup>235</sup>U at an average enrichment of approximately 4.10 wt% U<sup>235</sup>. The MFC's are loaded onto nine flat rack containers.

3. Transport Route

The shipment will depart from Oakland, CA via the vessel "Ever Refine" going to Tokyo, Japan. Upon arrival at Tokyo, Mitsubishi Nuclear Fuels (MNF), in behalf of AREVA and Kansai Electric Power, will retain physical custody of the shipment as arranged prior to shipment.

4. Schedule

The shipment is scheduled to depart Richland on August 13, 2012 and to depart Oakland, CA on August 16, 2012 and is expected to arrive at Tokyo on August 28, 2012. The shipment will depart Tokyo on August 28, 2012 and arrive at Kansai Electric Power Co. Inc., Takahama Unit 3 on August 30, 2012.

5. Assurance

The shipment will be protected during transport in accordance with IAEA Information Circular 225, "Physical Protection of Nuclear Materials".

If you have any questions, please call me on (509) 375-8380.

Very truly yours,

Dan L. Noss  
MC&A Supervisor
