Sandie,

We have the package and it will be expedited. I will let you know once it's signed.

Hi Sandy:

Kathryn just told me she had a message from you that ADM will be delivering a package that will require expedited handling. I'm not exactly sure what it might be and am getting ready to leave for the day (I have an appointment). I alerted the mailroom and between Kathryn, Cherrie, and I it will get taken care of first thing in the morning. Thanks!

Karen, x2276
