EDO/CFO Monthly

Outside of Scope

Outside of Scope

5. CFO brought up the recent OMB memo on administrative efficiencies and noted that the agency is seeking a waiver from reporting requirements that may apply to the RIC. EDO noted that multi-day management offsites outside the local area “may be hard to justify in the next 6-12 months” and that while NRC is “pure as the driven snow” compared to the things that get agencies in the media spotlight, we don’t want to push the envelope!
