Jan, I was getting ready to call you but don't need to for now. Just talked to Jennifer. Learned that OCFO is planning a multi-office meeting to discuss M12-12 to figure out next steps. Once Liz provides the separate email, we'll be done with this particular budget-related action. Thanks, Susan

Jennifer,

We recognize that a waiver is still needed. I see from the tasking below that ADM has the lead. We'll work with Jan Dambly to provide a complete answer by Tuesday.

Hi Jennifer,

Per your request, below is the email Lorna and I received today from Caroline Nguyen (who forwarded Russell Allwein and George Smolik's emails) stating that the Chairman's office would like to know when the waiver for the RIC will be in place. As I informed you today, the modification for Option Year 2 for the Marriott has already been completed, but as you requested, I will send you a separate email stating this fact. Thank you for assisting NRR in obtaining the appropriate guidance/process for OMB-12-12.
