Do either of you have any idea where to direct Jo Anne (see her email below)?

Thanks,
Melissa

See below from JoAnne Johnson. You might have to select "see more" since you are looking on your blackberry.

I am not sure what she is talking about. Have either of you seen any guidance regarding NRC Employees Attending Conferences that may have come from the EDO's office?

Hi Melissa,

I was told that you might know where the new guidance is for **NRC employees attending conferences**. I tried the OEDO page, but could not find it or did not have access rights to open some web areas. Is this something that you can point me to?

Thank you,
