Yes thx. Jeff M was watching this in Congress and expected. I gave him and Kimberly (Acting Section Chief) a heads up.

Subject: FYI re potential / future Web action

FYI / heads up (no action requested for now). The attached OMB Memorandum (Section 2, bottom of page 4 / top of page 5) provides direction on Conference spending that requires agency's to report on conferences expenses in excess of \$100,000 on a dedicated place on its official website. Also, for conferences in excess of \$500,000 (such as the RIC) the Web site must include the head of the agency's waiver that the single conference in excess of \$500K is the most cost effective option to achieve a compelling purpose.

CFO, EDO, and ADM staff recently met to discuss **all** of the actions in the memo with the one noted above being assigned to OEDO to coordinate with OIS. Clare Kasputys is working this for OEDO so you could be hearing from her or another OEDO staffer soon.

Thanks!
