Rockville, MD 20852

Subject: Notification for Fabrication of the First Packaging under CoC 9302
(Docket No. 71-9302)

Pursuant to 10 CFR 71.93(c), Transnuclear, Inc. (TN) notifies that the fabrication of transport packaging Model No. NUHOMS[®]-MP197HB approved under Certificate of Compliance (CoC) No. 9302, Revision 5 will start on February 1, 2013 at the following location:

Hitachi Zosen
1, Ariake, Nagasu-Machi
Tamana-Gun Kumamoto 869-0193
Japan

TN will support the NRC staff for inspection of material, packaging and facility and any test deemed necessary. Should the NRC staff require additional information, please do not hesitate to contact Mr. Kamran Tavassoli at 410-910-6944 or me at 410-910-6933.

Sincerely,

Clark Vanderniet,
Director of Regulatory Affairs
