SUBJECT: RCOA IMAGING SERVICES, INC., ACCEPTANCE OF NOTIFICATION OF
CESSATION OF ACTIVITIES, CONTROL NO. 579187

Dear Ms. Sevigny:

This is in reference to your letter dated September 24, 2012 informing the NRC that you have temporarily ceased NRC regulated activities. It is our understanding that you intend to develop additional clients in NRC regulated states and therefore, you do not wish to terminate your NRC license. Please note, if you plan to restart your activities and there are changes to your currently described radioactive materials program (coach design/radioactive materials/etc.), you are required to amend your license prior to initiating NRC regulated activities.

Sincerely,

Original signed by Tara L. Weidner
