SUBJECT: VOIDANCE OF APPLICATION FOR LICENSE AMENDMENT, CONTROL NO.
578084

This concerns your amendment request dated August 11, 2012 to change the name of the licensed entity identified on your license. However, via email on November 9, 2012, you clarified that the parent company changed its name; not the licensed entity; therefore, we have voided your application. An amendment request is not needed. If you have any questions, you may contact me at 817-200-1132.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter will be available electronically for public inspection in the NRC Public Document Room or from the NRC's document system (ADAMS).
