

November 29, 2012

Mr. Robert D. Copp
Director, Hematite Decommissioning Project
Westinghouse Electric Company
3300 State Road P
Festus, MO 63028

SUBJECT: INTERIM HEMATITE RADIATION SAFETY OFFICER (License No. SNM-0033,
Docket No. 70-00036)

Dear Mr. Copp:

We are in receipt of your letters dated November 7, 2012 and November 14, 2012, in which you indicated that Mr. Joseph Guido of your staff would be acting as interim Radiation Safety Officer during Mr. Gerald Rood's absence due to medical reasons. We have reviewed Mr. Guido's revised resume and Westinghouse's evaluation verifying Mr. Guido's experience and have determined that qualifications meet the minimum requirements for the Radiation Safety Officer position. We have no objections to Mr. Guido's appointment as the interim Radiation Safety Officer.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice for Domestic Licensing Proceedings and Issuance of Orders," a copy of this letter will be available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records component of NRC's Agencywide Documents Access and Management System (ADAMS). ADAMS is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>.

Please contact me if you have any questions concerning the above at (301) 415-5928 or via email at John.Hayes@nrc.gov.

Sincerely,

/RA/

John J. Hayes, Sr. Project Manger
Materials Decommissioning Branch
Decommissioning and Uranium Recovery
Licensing Directorate
Division of Waste Management
and Environmental Protection

Docket No.: 70-36
License No.: SNM-33
