Subject: Request to VOID current request for License #34-00507-16, Docket #030-05626

Dear Mr. Parker,

Your office is currently processing an amendment request from the NASA John H. Glenn Research Center dated August 8, 2012 regarding the proposed use of an alternate Nickel-63 source. Please withdraw this request as we will be moving forward with using the previously-approved source configuration.

You may contact me if you have further questions.

Sincerely,

A handwritten signature in black ink, appearing to read 'CJB', followed by a horizontal line extending to the right.
