Subject: Please don't rush the public comment period on nuclear wastes

Dear Chairwoman Macfarlane,

Nuclear wastes are serious business!! Your decisions could cost lives and health. Please do more than the legal minimum to make sure decisions are sound and do not cause harm to anyone.

I ask you to:

1. Extend the comment deadline
2. Add hearings in communities living in the shadow of high-level radioactive waste storage pools and dry casks.

Thank you very much for your attention to this very serious matter.

Sonja Andreas
