**Subject:** eRAI Table Update

Hi Steve,

We received your notification to cancel Wednesday's bi-weekly call. We had kind of anticipated that this would happen. Are you planning on sending out an updated eRAI table anyway? I know you had sent us a note last week on some status changes in some Confirmatory category items. I would like to get these and any other changes that you've been able to accomplish reflected in our trend chart if possible.

Todd
