

January 29, 2013

Mr. Jian Liu
Vice Administrator of ECRO
396 Guilin Road
Shanghai, China 200233

Dear Mr. Jian Liu:

I have taken over responsibility for coordinating assignees within the Office of Nuclear Reactor Regulation (NRR), U.S. Nuclear Regulatory Commission (NRC), from Dr. Michael Cullingford. I am pleased to report to you my appraisal of the work of Mr. Weibo Lin.

Mr. Lin has followed his program of work and has contributed to the tasks and work products of NRR. His exit presentation was well-received by senior NRR management. The information that Mr. Lin has learned while performing his assignments will be useful to the Office of Nuclear Power Regulation. Attached is a partial list of his task assignments.

In addition to my own observations, I have received much positive feedback regarding Mr. Lin and his work from NRC staff who interacted with him. NRC is pleased to have hosted him as an assignee. Mr. Lin has well represented the Office of Nuclear Power Regulation during his time at NRC.

Sincerely,

/RA/

Jon B. Hopkins
Senior Project Manager for International Activities
Financial Analysis and International Projects Branch
Division of Inspection and Regional Support
Office of Nuclear Reactor Regulation

Enclosure:
As stated
