SUMMARY

After review of PETNET's application for a new nuclear pharmacy license at their Detroit location, I requested that Ms. Chance and/or Ms. Elam submit the following additional information:

1. Submit a copy of the lease agreement or letter of understanding or other document that delineates the agreement between William Beaumont and PETNET and defines the roles and responsibilities of both parties with regard to the conduct of licensed activities at the hospital.
2. Please include in your emergency procedures provisions for contacting local fire departments and local law enforcement agencies.
3. Commit to providing refresher training for ancillary staff, or confirm that they will only do work under the direct supervision of an individual named on the license.
4. Please address Item 8.11.1, of volume 13 to NUREG-1556 (pages 8-11 and 8-62) that discusses procedures for handling returned waste from customers.

ACTION REQUIRED

Submit a written response and refer as additional information to Control Number 573365
