ORDER
(Scheduling Conference Call)

The Board will hold a conference call on December 4, 2012, at 10 a.m. East Coast time for the purpose of reviewing the schedule for this proceeding and determining whether any changes to the schedule should be made.

The issues to be discussed include:

- (i) Whether the evidentiary hearing on safety issues should take place after the Final SER is issued, as provided in the Board's September 11, 2009 Scheduling Order, or should be held at an earlier date.
- (ii) Whether the Board should hold one evidentiary hearing on all safety and/or environmental contentions, or should hold separate evidentiary hearings on those contentions, as currently provided in the Scheduling Order.
- (iii) The date and location of the evidentiary hearing(s).
- (iv) The dates on which the Staff anticipates it will issue the FEIS, the Advanced SER with no open items, and the Final SER.

On or before December 3, the parties may, but are not required to, submit to the Board a brief letter outlining their views on any of the matters listed above, and/or any additional matters any party believes should be discussed during the conference call. The parties are encouraged to confer ahead of time to determine whether they can agree on a unified response to the Board's questions.

On or before 3 p.m. on December 3, a representative of each of the parties should contact Ms. Matina Solomakos at (301) 415-0453 to obtain the telephone number and pass code for the prehearing conference call. Only the designated representatives of the parties may participate in the conference call. In the event that a participant desires to have the conference audited by a person or persons at a different location, upon request to Ms. Solomakos a reasonable number of additional telephone lines will be made available for that purpose.¹

It is so ORDERED.
