Re: NuScale Power

Dear Sir or Madam:

Pursuant to the Freedom of Information Act, 5 U.S.C. § 552, I hereby request copies of the following records in the possession or control of the U.S. Nuclear Regulatory Commission:

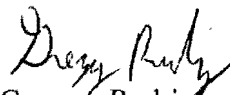

1. Any and all records relating to NuScale Power, including the sale of the controlling interest of NuScale by John Carney, the Receiver for the Michael Kenwood Group Receivership Estate, to Fluor Corporation.

2. Any and all documentation relating to Michael Kenwood Group's and/or Petroleos de Venezuela SA's ("PDVSA") interest in or involvement in NuScale.

As you are aware, you are required to make a determination on this request within 20 working days of this letter. 5 U.S.C. § 552(a)(6)(i). If you determine that certain documentation is exempt from disclosure, please release all reasonably segregable non-exempt portions of these materials. Please also describe the withheld material or portion thereof in detail and specify the statutory basis for the denial as well as your reasons for believing that your interpretation of the statutory justification applies in this instance. Please separately state your reasons for not invoking your discretionary authority to release any allegedly exempt documents in the public interest.

Upon invoice, I will pay the costs properly chargeable under the Act and applicable regulations. If a portion of this request can be fulfilled prior to completing the entire request, I would like to obtain any material as it becomes available. Please contact me at (b)(6) if you have any questions concerning this request.

Very truly yours,

Gregory Rodriguez
