The American Board of Radiology

Organized through the cooperation of the
American College of Radiology, the American Roentgen Ray Society,
the American Radium Society, the Radiological Society of North America,
the Section on Radiology of the American Medical Association,
the American Society for Radiation Oncology, the Association of
University Radiologists, and the American Association of Physicists in Medicine,
the American Board of Radiology hereby determines that the individual named below
has pursued an accepted course of graduate study and clinical work and has met certain standards
and qualifications, including passing the examinations conducted under the authority
of the American Board of Radiology, demonstrating to the Board qualification to practice.

Therefore, the American Board of Radiology hereby declares that

John D. Smith, M.D.

was certified in

Diagnostic Radiology

effective

July 1,2012

and was issued this certificate as a Diplomate of the American Board of Radiology.
Ongoing certification is contingent upon meeting the requirements of Maintenance of Certification.

This diplomate of the American Board of Radiology
is now permitted to use the DABR *mark to signify this certification.*
