LICENSEE: Westover Cardiology
LICENSE: 07-31482-01
PREPARED BY: T. Weidner */RA/*
DATE: 11/15/2012
SUBJECT: Pre-Licensing visit/Facility walk through

On November 15, 2012, I performed a pre-licensing visit at Westover Cardiology, 212 Carter Drive, Middletown, DE. As part of the visit, I toured the facility and verified that there is no occupiable space above or below the licensee's facility.

On 11/19/2012, I contacted Barry Denenberg, M.D. to discuss his role as the Radiation Safety Officer for Westover Cardiology. Dr. Denenberg will act as the RSO until such time as the authorized user, Dr. Moutsatsos can be trained in the responsibilities of the RSO. At which point the license will be amended to add Dr. Moutsatsos as the RSO.
