MOTION FOR EXTENSION OF TIME

The Nuclear Regulatory Commission (“NRC”) Office of Investigations (“OI”) issued on November 15, 2012 a subpoena duces tecum to the Shaw Group Inc. (“Shaw”) in the above captioned matter. Shaw had planned to submit a motion to quash the subpoena by the response deadline of November 28, 2012. Based on our recent conversation with the NRC Staff, and with the concurrence of the NRC Staff, Shaw requests an extension by one week for the filing of a response to the November 15, 2012 subpoena duces tecum, so that the NRC Staff and Shaw can continue discussions concerning resolution of the conflict.

Respectfully submitted,
