Questions on Financial Assurance

**(NOTE: This will be used as the
Documents Title in ADAMS)**

11/30/12 (11:20) Ms. Copson-Hall called stating that they were finalizing the documents for the Trust Fund. Due to the financial situation of the university it was decided that the escrow account, when terminated, would supply the Trust Fund instead of having a fully funded Trust Fund prior to the escrow account being terminated and funds returned to the licensee. Changes in some of the words in the Trust Fund were suggested to reflect that the Trust Fund would be funded by assets from the terminated escrow account. When the transaction was complete the licensee would submit a revised Schedule B which would reflect the committed amount of \$1,125,000.
