Subject: RAI License Termination Request Letter Received Nov. 13, 2012.

Mr. Cunningham was contacted to request additional information regarding the termination request letter received in NRC RI on November 13, 2012. The following items were discussed:

The letter requests termination of the license. NRC Form 314 was attached to the letter; however, the form was not complete. I requested Mr. Cunningham resubmit the Form 314 with part C. "Surveys Performed and Reported," completed, especially answers to question 3(a) or 3(b). Also, I requested Mr. Cunningham complete the section at the bottom of the Form 314 regarding the name, signature, and date. I also informed Mr. Cunningham that the request must be signed by a principal of the corporation.

I informed Mr. Cunningham that the revised Form 314 may be mailed, e-mailed, or faxed to RI, and that the response should reference Mail Control Number 579447. Licensee agreed to provide the information requested within one week.

Action Required: Save this telephone record in ADAMS referencing the Docket, License, and Mail Control numbers above. Licensee to submit a response to this request for information.
