Subject: Indian Point Section 7 Consultation

Julie,

As we discussed today, we would like to extend the extend the consultation period and the completion of the final biological opinion for Indian Point for five weeks until Wednesday, January 9th to resolve the remaining questions and comments on the draft. We have contacted Entergy, and Entergy agrees to this extension (we copy Entergy on this e-mail). Like you, we are interested in completing this consultation in a timely manner while resolving all outstanding questions.

Thank you,
Dennis
