**Re: Approval of TFN 5 5/217, Strata's Ross Uranium In Situ Recovery Project, Permit No. PT802**

Dear Mr. Knode:

Enclosed are copies of your approved commercial in situ recovery mining permit and license to mine and the approved bond. Certificate of Deposit Account Registry Service (CDARS) No. 1014094888/CD03000047 in the amount of One Million, Four Hundred Fifty-Six Thousand Dollars (\$1,456,000) has been accepted as your reclamation performance bond to ensure compliance with all requirements of the Environmental Quality Act and Land Quality Division Rules and Regulations. Receipt no. 296357 is enclosed.

Permit No. PT802 has been assigned to this project. Please refer to this permit number when discussing this project in future correspondence.

A complete and updated copy of the permit must be maintained at the mine office and at the offices of the Land Quality Division in Cheyenne and Sheridan. Please make arrangements with Ramona Christensen of the Cheyenne office at (307) 777-7053 and Pat Seurer of the Sheridan office at (307) 675-5604, to make sure all permit application materials have been properly incorporated into the approved permit document. The incorporation of all new material should occur within four weeks of the date of this letter.

Please contact the Department of Revenue, Herschler Building, Second Floor West, Cheyenne, WY 82002 (307) 777-7961, for tax information.

On or within thirty (30) days prior to the anniversary date of the permit, you will be required to submit an Annual Report to the Sheridan District III office. The appropriate forms will be sent to you at that time. Following your submittal of the report, the District III staff will conduct an inspection of the operation.

If you have any questions, please contact me at (307) 777-7756 or Miles Bennett in the District III office at (307) 675-5618.

Sincerely,

Nancy Nuttbrock  
Administrator  
Land Quality Division
