Subject: License Amendment

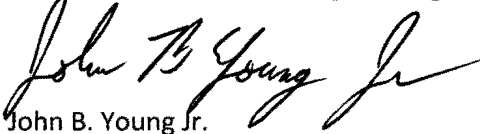

To Whom It May Concern:

I am submitting the following information in an effort to amend my current Specific License number 13-32049-01 issued to me by the NRC. As you will see, I am requesting three changes to my license.

Thank you in advance for your efforts. Should you have any questions or concerns, please contact me at my home office number, (812) 466-5478, or by email at John.Young@aisgauging.com.

Sincerely,

Industrial Maintenance Engineering, Inc.

John B. Young Jr.

President/RSO

RECEIVED DEC 07 2012

Amendment #1 (11A)

I request to remove David J. Baker from my license as an Authorized User. He is no longer employed with Industrial Maintenance Engineering.

Amendment #2 (11A)

Please remove Arthur Balent from the license. He is no longer employed with Industrial Maintenance Engineering.

Amendment #3

Please amend the license to include any byproduct materials (sealed sources) with Atomic numbers 3-83 inclusive and Atomic number 95, with the Authorized use currently allowed for Items A thru E.
