FOIA request TWO

This is a request under the Freedom of Information Act.

I request copies of any email exchanges between NRC commission member Kristine Svinicki or a member of her staff and any party outside the NRC, in the private sector or the federal government, related to the debate over whether to require filters be installed on vents proposed for boiling water reactors, or Mark I or Mark II units

This would include any email between Ms. Svinicki and other Obama administration officials, or with any trade association or consultant or private company. This would cover a period of July 1, 2011 through December 31, 2012, or the most recent date available as of the time you do the search for the emails.

The emails would include both emails that Ms. Svinicki or her staff sent or received on the topic.

I am a representative of the news media affiliated with The New York Times, and this request is made as part of news gathering and not for a commercial use.

I am willing to pay fees for this request up to a maximum of \$300. If you estimate that the fees will exceed this limit, please inform me first. But I would like to request the above data electronically, avoiding the need to make any printed copies.

Thank you for your consideration of this request. Please call me with any questions.

Sincerely,

Eric Lipton
