Subject: Renewal of Logan Regional Medical Center
Date: Thursday, December 13, 2012 2:53:00 PM

Licensee: Logan General Hospital, LLC
License No. 47-19919-01
Docket No. 030-19530
Mail Control 579218

Mr. Norweck,

In reference to the renewal of Logan General Hospital's NRC License, please submit the following additional information:

1. Indicate whether the email address for Mr. Tim Haclerode is the hospital's email address or a personal email address.
2. Submit areas of use for stress testing or confirm that the testing location is located within the camera room.
3. Confirm that the authorized use for Drs. Rashid, Duffy, Gharib, and Mallah should include 35.100.
4. Confirm that Drs. Mamidi and McWhorter should be removed from the license.
5. It appears that you may be a consultant. Please address the following:
 - a. Describe the control over the radiation safety program that will be delegated so that the consultant-RSO will be able to exercise authority over authorized users when confronted with radiation safety problems that require implementation of corrective actions.
 - b. Describe the relationship that will exist between the consultant-RSO and your institutional management regarding expenditure of funds to facilitate the objectives of your radiation safety program and related regulatory requirements.
 - c. Identify other commitments of the consultant-RSO for other NRC or Agreement State licensed facilities, along with a description of how the consultant-RSO will allocate time to permit the performance of the duties of the RSO as described in the regulations. State the consultant-RSO's minimum amount of on-site time (hours per week).
 - d. Appoint an in-house representative who will serve as the point of contact during the RSO's absence. This person may be allowed to assist the consultant RSO with limited authority.
 - e. Describe the overall availability of the consultant-RSO to respond to questions or operational issues that arise during the conduct of your radiation safety program and related regulatory requirements. Specify the maximum amount of time it will take the RSO to arrive at the facility in the event of an emergency that requires his presence.

You may either fax the above information to my attention (610-337-5269) or email a signed pdf from management. Please reference Mail Control No. 579218 in your response. Sincerely,

Penny Lanzisera
Senior Health Physicist
US NRC, Region I
