Dear Ms. Bishop:

In accordance with the provisions of 10 CFR related to financial assurance, we will be eliminating our current escrow account and replacing that with a trust fund. We are currently working with our financial institution, Comerica Bank, to open the trust account which requires obtaining approval of the Trust Agreement by bank's legal department and funding the trust with the \$113,000 from our escrow.

The bank's legal department currently has a backlog, however, we are hopeful to have the required documents completed and to the NRC before January 31, 2013. Once the Trust Agreement has been accepted by the NRC, we will need to provide written approval by the NRC to our escrow agent to terminate the current escrow account.

Please contact Pam Mollan, Controller, if there are any other issues or questions that need to be addressed. She can be reached at 248-304-2920.

Regards,

Michael F. Grisdela
