Terry,

Please confirm that you are okay with the following license conditions for your NRC license:

12. A. Licensed material shall be used by, or under the supervision of and in the physical presence of Doyle Terry Stout or Christopher Van Nostrand.

16. At least 14 days before initiating activities involving source reloads and source exchanges in NRC jurisdiction, the licensee shall notify, in writing, the Director, Division of Nuclear Materials Safety, Region I, 2100 Renaissance Boulevard, Suite 100, King of Prussia, Pennsylvania 19406-2713. The notification shall include the estimated project start date and the customer's NRC license number.

Also Pennsylvania has similar conditions for your PA license:

11. A. Licensed material shall be used by, or under the supervision of and in the physical presence of, Doyle Terry Stout or Christopher Van Nostrand.

17. At least 14 days before initiating activities involving source reloads and source exchanges in the Commonwealth's jurisdiction, the licensee shall notify, in writing Department as indicated in PA Code, Title 25, Chapter 215, Section 215.4. The notification shall include the estimated project start date and the customer's Pennsylvania license number.

Please respond to John Chipppo from the Commonwealth and to me.

Thanks,

Kathy Modes
