Re: Request for amendment, license # 42-26928-01

ProTechnics, a Division of Core Laboratories LP, wishes to amend its NRC radioactive material license, # 42-26928-01. Specifically, we wish to change our Texas address (condition #2) to:

6510 West Sam Houston Parkway North
Houston, Texas 77041

This is the building that our Division is in, and not the Windfern location you currently have on the license.

Thank you,

Will Williams
Corporate Radiation Safety Officer
