SUBJECT: CALENDAR YEAR 2013 INSPECTION SCHEDULE

Dear Mr. Elliott:

The enclosed inspection schedule details the inspections for calendar year 2013. The inspection schedule is provided to minimize the resource impact on your staff and to allow for the resolution of any scheduling conflicts and personnel availability issues well in advance of inspector arrival onsite.

Please note that inspections related to safeguards are not included in this schedule. In addition, any regional initiative or other special type of inspection is not included. Also, while not reflected in the attached schedule, the NRC plans to evaluate an emergency exercise this calendar year once NFS has decided on a date.

If circumstances arise which cause us to change the dates of the planned inspections, we will contact you to discuss the change as early as possible. Please contact either Nicole Coovert at (404) 997-4510 or Manuel Crespo (404) 997-4733 with any questions you may have regarding this letter or the inspection schedule.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter and its enclosure will be made available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). ADAMS is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html> (the Public Electronic Reading Room).

Sincerely,

/RA/
