NOTICE OF NONCONFORMANCE

Dear Mr. Miller:

Thank you for your November 16, 2012, and November 30, 2012, letters in response to the Notice of Violation and Notice of Nonconformance (NON) that were discussed in the subject U.S. Nuclear Regulatory Commission (NRC) inspection report (IR).

We have reviewed your letters and find them responsive to the Notice of Violation and the Notice of Nonconformance documented in IR 99901377/2012-201. However, we do request that you provide additional information related to your response to NON 99901377/2012-201-05. Specifically, the NRC would like to receive copies of the letters that were sent to all of your affected customers as described in the corrective action for NON 99901377/2012-201-05.

We have no further questions or comments at this time and may review the implementation of your corrective actions during a future NRC staff inspection to determine whether full compliance has been achieved and maintained.
