That date will be fine - if there are specific questions that the staff has, please advise so we can be prepared to discuss.

Mike:

I would like to schedule the next OI call for Thursday, January 10, 2013 from 1:30 pm to 2:30 to discuss the RAI responses we received for Fukushima Recommendations 4.2 and 7.1. Is this an acceptable date and time for you and your staff/contractors?

Thanks

Tekia
