Documents Title in ADAMS)

Dr. Maiello, we received your notification letter dated December 4, 2012 about your changes to the Radiation Policy Committee (RPC). It would appear that you do not have the required number of persons on our committee as stated in your application dated June 9, 2004. Dr. Maiello stated that the program is getting smaller and that we would submit an amendment request to change the requirements of the RPC.

Action Required: This notification action will be changed to an amendment request.
