Sure. Do you know if you will be coming in on the morning of the 7<sup>th</sup> so that I should plan an afternoon meeting or will you be coming to town the day before? Jean Trefethen also called inquired about a meeting on the 7<sup>th</sup>.

I was thinking of taking Jean's group on a morning tour of the ISFSI. Then after lunch, I have a meeting room set up for Jean and her group to meet and discuss some environmental issues/questions. You could either join that morning tour or we could set up an afternoon tour also.

Do you have set travel arrangements yet?

Could you put together and send me a simple itinerary for our Nov 7, 2012, ISFSI tour?  
I will send that to the FSME and Region III folks. I am that sure some of them will join us.

Steve,

No problem, we would be glad to show you around. I can certainly coordinate. I will reserve a room to meet and will assume you will want a tour of the ISFSI. We can work out the remainder of the details as the date gets closer.

Lee, Brian,

Mike and I will likely be in the Red Wing area for oral arguments on standing and contention admissibility set for Nov. 8-9.

We would like to schedule a site visit on Nov 7 for the ISFSI, etc., if possible.
