OIG is located on 5th floor of the OWFN building. You can't access our space but can use telephone located on floor and someone will let you in. They will let me know when you get here and we will meet in one of our conference rooms.

I can schedule 30 minutes next week- Tuesday through Thursday in afternoon. How about Tuesday at 3:00?

The technical concerns. I don't agree with the decisions from last year made on the ADR process, but unless you know of something that's changed I have nothing else to discuss about the ADR process at this time – but I am willing to discuss it if there is anything new. I have been in contact with Shahram Ghasemian about ways to improve ADR.

I have a Workshop on Tuesday, Wednesday and Thursday until noon. I am leaving work at 1:45 pm on Friday.

If you are unavailable this week, a later week will do. I keep my Outlook Calendar up to date, so if you would like to use that to schedule a time slot please feel free to. I should only need 30 minutes.

I have several meetings this afternoon and will not be in on Tuesday. I'm available on Wednesday. Please let me know if you want to discuss your concerns involving the ADR process or the technical concerns that you reported to the staff in the past.

That's okay. I am free this afternoon, Thursday afternoon and Friday until 13:45. I can meet in a later week as well. I'd rather not delay meeting with you, but it is not urgent.

Monday afternoon works best for me.

It concerns an event that occurred in Region IV in 2003 and was investigated in 2008.
