### U.S. Nuclear Regulatory Commission

with the title of Competition Advocate as referenced in FAR Subpart 6.5:

#### SUBPART 6.5—COMPETITION ADVOCATES 6.502

##### 6.5-1

##### Subpart 6.5—Competition Advocates

##### 6.501 Requirement.

As required by Section 20 of the Office of Federal Procurement Policy Act, the head of each executive agency shall designate a competition advocate for the agency and for each procuring activity of the agency. The competition advocates shall—

- (a) Be in positions other than that of the agency senior procurement executive;
- (b) Not be assigned any duties or responsibilities that are inconsistent with 6.502; and
- (c) Be provided with staff or assistance (e.g., specialists in engineering, technical operations, contract administration, financial management, supply management, and utilization of small business concerns), as may be necessary to carry out the advocate's duties and responsibilities.

As I believe this information should be made available to the public and should also be relatively simple to retrieve, I do not believe I should have to pay for this request.
